ABOUT US

SUPA DUPA SUPA PUNK (a.k.a **SDSP**) is a Toronto-based high-volume, high-energy, indie band performing original music since mid-2025. Our sound blends post-punk, grunge, and garage rock. We draw inspiration from bands like DFA 1979, Nine Inch Nails, The Black Keys, and The White Stripes. We distinguish our heavy, riff-driven songs by incorporating unexpected blues elements, specifically harmonica and banjo, to create a fun, engaging, and high-energy live show.
